Dear Devotees

Sri Selva Vinayakar Temple

South Maclean

VALI PILLAYAR

The fig tree just opposite Vali Pillayar (Ganesh outside) has rooted and raised the concrete. That has damaged the tiles and the concrete. If this is allowed to grow it will uproot Vali Pillayar according to the tree expert and engineers.

Fig trees have shallow root system and according to the arborist it cannot be replanted elsewhere because it will die off. The personally guarantee that mature appropriate trees will be planted once the mandapam is built.

We have removed the coins tied to the tree branches and kept them safe in the counter. If any devotee wish to reuse the coins, you are welcome to claim the coin from the counter services.

We deeply regret that the feeling of devotees who has made vows by tying coins have to be compromised.

Regards

Yours sincerely,

S Selvamanickam

President
