Dear Devotees

## Certificate to occupy the temple.

Obtaining the Certificate to Occupy is a great achievement. This is the first time HASQ has been issued with the Occupation Certificate.

I must thank all the volunteers who have worked tirelessly over a period of 1 1/2 yrs or so to satisfy the Council requirements. It is well known that we have had so many hurdles to clear during this journey.

Volunteers have built concrete Veethi, laid turf (working late in the night), helping to clear rubbish and landscaping, raising funds by operating the cafeteria , making garlands, prepare drawings for submission, meeting Certifier to discuss the requirements, gardening, planting trees, managing the web site and and so many little things that have helped us over a period of time.

If not for the dedicated volunteers, we would not have achieved this milestone.
