Dear Devotees,

Temple is opened for public from this afternoon (23 Aug 2020).

On 22 Aug 2020 for the Chaturthi morning festival unexpected number of devotees turned up for prayers. It was hard to manage them under the COVID-19 management plan. We were convinced that there will be similar or more devotees turning up for the night festival. It would have been pretty hard or impossible to manage under the COVID 19 management plan.

Therefore, the HASQ management committee in order, not to violate the Government ruling, decided to close the temple and live stream the proceedings (festival conducted only by the Priests) in the temple facebook.

Since then, the management committee has decided to reopen the temple to the public from this afternoon (23 Aug 2020).

Please note that hereafter we will live stream only the Vasantha Mandapa Poojai every Friday at about 7.15PM.

Temple canteen will operate on Saturdays and Sundays from 9.30AM to 1PM. It is important to follow the COVID-19 guidelines in the canteen area as well.

We may have to take actions to mitigate if the Government place further restrictions due to COVID-19 pandemic.

The HASQ management committee wishes to thank all the devotees for their patience and understanding.

HASQ Management Committee

23 August 2020.
